

ADTS - \$75.9M IDIQ CONGRESSIONAL ANNOUNCEMENT (9/15/2016)

NAVY

Physical Optics Corporation (POC) Awarded \$75.9M IDIQ Navy Contract for Advanced Data Transfer System

Physical Optics Corporation – Torrance, California, is being awarded a \$75,953,328 fixed-price, cost-plus-fixed-fee, cost indefinite-delivery/indefinite-quantity contract for the procurement of Advanced Data Transfer System components for UH-1Y, AH-1Z, MH-60R, MH-60S, and H-53K aircraft for the Navy. In addition, this SBIR (Small Business Innovation Research) based contract provides for the procurement of these components for the governments of Australia, Denmark, and Saudi Arabia under the Foreign Military Sales program. This contract also provides for test and evaluation, repair of repairables, and engineering support services. Work will be performed in Torrance, California, and is expected to be complete by September 2021. Fiscal 2016 aircraft procurement (Navy); and foreign military sales funds in the amount of \$18,093,547 are being obligated at the time of award, none of which will expire at the end of the current fiscal year. This contract combines purchase for the Navy (\$66,759,907; 87.9 percent); the government of Australia (\$5,262,958, 6.93 percent); the government of Denmark (\$2,775,614, 3.65 percent); and the government of Saudi Arabia (\$1,154, 849, 1.52 percent) under the Foreign Military Sales program. This contract was not competitively procured pursuant to 10 U.S. Code 2304(c)(5) and Federal Acquisition Regulation 6.302-5. The Naval Air Warfare Center Aircraft Division, Lakehurst, New Jersey, is the contracting activity (N68335-16-D-0027).
