

## MWS - \$24.5M AF IDIQ CONGRESSIONAL ANNOUNCEMENT (11/9/2016)

---

### AIR FORCE

#### Physical Optics Corporation (POC) Awarded a \$24.5M IDIQ Air Force Contract for an Unattended Micro Weather Sensor

November 9, 2016 – Physical Optics Corporation – Torrance, California, has been awarded a not-to-exceed \$24,500,000 indefinite-delivery/indefinite-quantity contract to finalize development and procure Micro Weather Sensors and Advanced Micro Weather Sensors. Work will be performed at Torrance, California, and is expected to be complete by Nov. 9, 2021. This award is the follow-on of a previous Small Business Innovation Research (SBIR) Requirement acquisition. Fiscal 2017 research, development, test, and evaluation; and other procurement funds in the amount of \$4,872,014 are being obligated for the first delivery order at the time of award. The delivery order is for non-recurring engineering, production readiness and two Micro Weather Sensor test units and two Advanced Micro Weather Sensors. Air Force Life Cycle Management Center, Wright-Patterson Air Force Base, Ohio, is the contracting activity (FA8620-17-D-2505).
